## Your spreadsheet pricing and stock data always up to date on your mobile.

- » Your team have the latest information wherever they are
- » Clear and simple navigation of data on mobile screens
- » Quick and easy information updates to your mobile team
- » Ready to run on your team's existing phones in their pockets
- » Low cost, pay as you use pricing

**Our sales staff wanted a *faster and more efficient* process for accessing our latest pricing and stock data. Using MobyFile we can ensure all our sales team are using the latest data when on the road.**
